

THE RIVOLI BAR

THE RIVOLI BAR

AT THE RITZ

‘See all without looking; hear all without listening; be attentive without being servile; anticipate without being presumptuous.’

– César Ritz

Few words so perfectly encapsulate The Ritz London than those of its founder; forever enshrining standards by which all subsequent hotels would be judged.

The Rivoli Bar reflects the luxury and decadence of the Art Deco movement, and marries this exuberant tradition with modernity and invention. Here, tradition is not traded for innovation but rather the two intertwine in every part of each experience.

This idealism shapes and inspires our collection of food and drink; combining a rich past with the creative flair of London’s modern bar scene.

It is with great pride and anticipation; we present you with The Rivoli Bar Menu.

The Sazerac is a local New Orleans variation of a cognac or whiskey cocktail. A prohibition classic, though it was originally called the B.I.F. in 1937, this cocktail's emergence was facilitated by Drambuie's continued efforts to export to America despite prohibition—one of these means was dropping cases of spirits off ships passing the coast of America.
