

Bentley's CIGAR DINNERS

TUESDAY 25TH OCTOBER 2016

Join us on the terrace for the return of our cigar nights in association with our partners, Hunters & Frankau, the UK's leading importer and distributor of Cuban cigars and Havana Club Rum. This cigar lovers dinner features a specially created seasonal menu inspired by the game season designed to complement the rich flavours of the chosen cigars.

Guests will be presented with an informative and fun tutorial on the cigar of the month, how to smoke it, the subtle nuances of the flavours and how it pairs with the spirit and food being showcased. The night is a great social occasion for fellow cigar lovers to unite. The evening kicks off with welcome cocktails at 6.30pm.
