JURA VIRTUAL REALITY WHISKY EXPERIENCE

Described by George Orwell as “the most ungetatable place” in the world, the Isle of Jura is nestled just off the West Coast of Scotland. And with only one road, one pub, one distillery and some 200 people, Jura is as beautiful as it is remote.

Thanks to our Jura Virtual Reality experience, you can now visit this magical island for yourselves. Learn about the history of Jura and the myths that surround it, as well as the distillery and diverse island wildlife, before sampling its unique range of both sweet and smoky whiskies.

After being virtually transported to the beautiful Isle of Jura, guests will take a guided whisky tour with one of Mac & Wild's experts.

Includes tasting of four Jura whiskies -

Origin, Superstition, Diurachs' Own and Prophecy.

£25 per person | 4-8 people | 1.5 hours

GUN ROOM

Bringing one of Scotland's favourite pastimes to London's square mile, the Gun Room at Mac & Wild Devonshire Square is decked out with pine trees and a scent of the great outdoors, transporting guests to a Scottish highland shoot. Guests can practise their shot with our state-of-the-art Marksman virtual shooting system, using shotguns and realistic targets, while the rest of the team relax, drinking whisky and cocktails served by the Mac & Wild loading lads and lassies from your own private drinks trolley.
