FUN, INFORMAL DINING

We like to bring star quality to the most relaxed occasions. Producing great food is our raison d'être whether it's a prosecco-fuelled weekend brunch, platters of sushi to share, afternoon tea, or a quiet dinner for two in a neighbourhood restaurant.

Why not choose a location handy to the recipient? We have restaurants and bars right across the capital.

TASTING & CHEFS' MENUS

The soul of Gordon Ramsay Restaurants, and what has kept us on the world stage for over 25 years, is our passion for outstanding cuisine. Tasting menus and chefs' menus are arguably the best way to experience it. A procession of dazzling dishes, carefully considered and composed, enjoyed in elegant surrounds, makes an occasion not only to remember, but to talk about for years to come.

A simpler option is our 'Taste of' menu experiences that highlight the restaurant's very best signature dishes, perfect for fans of a particular style of cooking.

SUNDAY ROASTS

It's the tradition no one wants to lose: a feast that crowns the weekend and steadies us for the six days to come. No matter whether it's an intimate family affair or a gathering of friends, enjoying Sunday roast in our restaurants provides all the satisfaction and comfort of the time-honoured meal with none of the washing up.

And thanks to The Narrow's Host Your Roast private dining option, this reassuring experience is no longer restricted to Sundays either.

OVERNIGHT STAYS

Our Regency townhouse hotel York & Albany, conveniently situated between Regent's Park and Camden Town, is a stylish haven perfect for rejuvenating breaks. Opt for an overnight stay including a three-course dinner, or choose a breakfast only option. Either way, enjoy a delicious Continental or Full English breakfast the next morning. A treat indeed!
