

LE LIVRE DU VIN

Live the Experience!

We are delighted to welcome you to The Ritz Restaurant.

The Ritz Sommelier team regularly travel the world to meet producers and understand their philosophy waiting for the opportunity to share their passion and stories with you. The mainstay of our wine list is traditional and classic wine regions as Champagne, Bordeaux, Burgundy, Piedmont and Tuscany. However, our Sommeliers believe in wine diversity and terroir expression therefore our offering is constantly reviewed and evolved to create a perfectly balanced and varied wine list to give you the chance to equally find innovative and adventurous wines. We are also very proud to present two unique and rare private Collections from "Mouton-Rothschild" and "Giacomo Borgogno" especially released from the cellars of these iconic estates exclusively for The Ritz London.

Michelin-starred Executive Chef John Williams MBE and his team strive to combine the tradition of haute cuisine using the finest seasonal British ingredients and innovative recipes and techniques that results in the on-going evolution of our menu. Great care, thought, individuality and creativity are part of every dish and so the Ritz Sommelier team have applied equal dedication to the creation of an extraordinary wine offering to complement the gournet cuisine popularized by Auguste Escoffier.

We have derived much pleasure from the creation of this extensive wine list and very much hope that you will enjoy reading and discussing it with our Sommeliers while experiencing our wines on your palate.

Wishing you a wonderful wine discovery,

Salute!

Giovanni Ferlito | Head of Wine and Beverage

CORAVIN™ WINES BY THE GLASS

For centuries, the cork had to be removed in order to enjoy a glass of wine.

That era is over...

The CORAVIN system keeps the cork in the bottle while you explore the finest wines by the glass. The wine that remains in the bottle will continue to evolve naturally.
